

SILVERLINK 600

Sometimes during fast turnaround times, you need to be able to toast and grill at speed. The Silverlink 600 Electric Salamander Grill is ideal for these scenarios. Perfect for any modestly-sized, fast-paced restaurant, pub or takeaway, the grill boasts even heat distribution for maximum output, with five shelf positions to give maximum flexibility for all catering operations. Easy to clean, it also comes with a chrome wire shelf to allow trays and food to be placed on for cooking. Producing perfectly grilled meat, fish, and toast has never been as simple or stress-free.
